**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A company like Sonic needs all the protection it can get from FCC against predatory practices and actions of behemoth corporations seeking to eliminate the competition. If we allow the bullying to continue, all we will end up is a few monopolies to dictate their agenda to suck consumers dry without providing the kind of benefits Sonic has been delivering.

Please do not allow AT&T and their trade association, USTelecom, to take away access to critical unbundled network elements. Sonic is at risk of losing access to a huge portion of its customer base, leading to potentially higher rates, less fiber deployment, and even less options for consumers.

Thank you,

A Very Appreciative Sonic Customer
